PROPHECY- I Am A God Of Justice, And Vengeance Is Mine

"I see what is done in the Earth, and I will repay, for vengeance is Mine, says the LORD of Hosts. Avenge I will, for I Am God of Vengeance! People of the Earth beware, for I will fully repay all wicked deeds. Vengeance is Mine, and I will repay, for I hear My peoples' cries night and day. A vengeful God I Am, for I call all people to repent of their sins, but few will, My son. So, avenge I will, putting millions in Hell every year to suffer in flame forever. Even the Lake of Fire is waiting for them for a future time after the Great Day of Judgment, where I will put all not written in My Book of Life. Even My people who refuse to obey Me shall go there. I give sinners a long time to repent, for I Am slow to anger, but eventually justice must be served, for I Am A God of Justice. Your LORD has spoken, amen."
